

Why do companies **FINANCE**, rather than purchase equipment?

Conserves working capital and offers **100% financing**

Financing Provides - **longer terms** than most banks

Pay the lease from future earnings!

No down payment required!

Provides for the **acquisition** of needed **equipment immediately**.

Fixed payment.... No adjustable rate change!

\$99 per month for the first six (6) months

We can also include shipping, warranties, labor and maint.

Leasing will not show up on your Personal Credit report!!!

Call **BENCHMARK** today!!! **We can** structure a finance program to meet your needs!
